I hereby declare that I have read the Terms of Registration and Safety for activities within the Ariel Youth Movement. (Click here for Terms of Registration and Safety)

I hereby allow my child to take part in an Activity, and in said approval declare that my child does not suffer from a medical issue which would prevent him or her from taking part in an Activity. If my child does suffer from a medical issue I will inform the Department of Activities in Ariel Youth Movement via fax: 02-6510823 or by E-mail: mifalim@tariel.org.il

Since the subject of Safety is of paramount importance to us, we request all parents speak to their children prior to the Activity regarding discipline.

In the case of a disciplinary offense or inappropriate behavior during the course of the Activity, the student in question will be sent home, and it will be the responsibility of his or her parents to return him home.
